High Power LED Module

Pictures	Model NO.	Descripction	Light Quantities	Waterproof	Voltage	Power Consumption	Color	Unit Price/100pcs (MOQ:2,000 pieces)	Unit Price/100pcs (MOQ:100 pieces)	Cases
	LSH-3535WP1L	Hi-power Aluminum LED module; 35X35X10mm; Aluminum cover	1 LED/pcs, 30pcs/bunch	IP65	DC 12V/bunch, DC 5V/pcs	1W/PCS	**WHITE**	US$280.80	US$307.32	
	LSH-SMDWP1L	Hi-power LED module; 40X33X6.5mm; Injection molding process	1 LED/pcs	IP65	DC 12V	1W/PCS	**WHITE**	US$213.00	US$250.00	
	LSH-2LWP1L	Hi-power LED module 58X42.9X13.6mm	1 LED/pcs	IP65	DC 24V	1.6W/PCS	**WHITE**	US$601.00	US$670.00		LSH-CWP1L	Hi-power LED module	1 LED/pcs	IP65	DC 12V	2W/PCS	**WHITE**	US$678.00	US$710.00	
	LSH-BWP1L	Hi-power LED module	1 LED/pcs	IP65	DC 12V	2W/PCS	**WHITE**	US$678.00	US$710.00	

Features: Waterproof LED Modules are up to 60% more energy efficient than neon, widely application, high brightness, high quality and waterproof. Low price-performance ratio.

Application: Widely applied in Acrylic Lightbox, halo illuminated letters, LED light panels, illuminated channel letters, box, etc.

Remark:

The unit is 100 pieces for each type

1. **Term:** EXW Shenzhen

2. **Validity** : above price is valid for 30days.

3. **Warranty:** 2 years warranty for all the products.

4. **Payment terms:** 30% of full invoice value deposit by T/T in advance, full balance should be paid before shipment by T/T .

5. **Packing**: by carton box/ wooden case.

Note:

1.Before installing our products, please test all of them first.

2. All of our high quality led chips are choose from a certain wavelength range (industry standard), so the color of leds may have slight difference if they are not in the same production batch.

Choose L E D Signs, choose satisfaction!
