Brand-new Yarn Strips With Laminate Sheets

- ★ A polypropylene laminate sheet in the middle of the strips allows an over five-fold increase in their degree of seal, together with those common features possessed by ordinary yarn strips;
- ★ A closed protective layer prevents air, water and noise from passing through the strips;
- ★ The yarn strips' penetration performance is superior to the highest first level of GB7107-86 standard;
- ★ With reduced friction and extended life-span;

All-weather Advantages of Yarn Strips

- ★ Can function well even in extreme climates;
- ★ Water-proof and anti-aging; and
- ★ Sturdy and durable with no deformity.
