

BBS Semi-automatic Shrink Packing Machine

Application:

BBS series semi-auto shrink packing machine is made up of FC sealing and cutting machine and BBS shrinking machine. PVC, POF PP film is available. It's easy in operating and high efficiency. It is an ideal tool for shrinking food, local product, medicine and so on.

Main Technical Parameter:

MODEL:	BBS-4020	BBS-4525
Voltage:	380V/ 50Hz 6Kw	380V/ 50Hz 8Kw
Max packing size:	400x200mm	450x250mm
Dimension(LxWxH) :	1350x620x1380mm	1350x670x11430mm
Weight:	165kg	185kg
