Specification

Type	Description	
Function	Upload mode : TCP/UDP/SMS	
	Multi-working mode : Standard/Vibration/RTC	
	Instant SMS enquiry about current position	
	AGPS	
	normal USB port for charging	
	Remote listen-in	
	Built in 3D G sensor	
	Real time monitor in battery volume	
	Solar power chargeable battery	
	Flashlight	
	SOS lighting signal	
	Self-Geo-fence/Geo-fence	
	Standby over 6 months	
	Serial port supported/ configuring remotely	
	Alarm : low battery alarm, SOS , enter/exit geo-fence	
Parameter	Time difference set	
	Alias set	
	Size (L×W×H)	96×51×22mm
	Color	Black/Orange
	Weight	80 gram (Standard accessories included)
	Working current	60-80mA
	Built-in battery	1800mAh
	Waterproof level	IP65
GPS chip	U-blox	
GSM	850/900/1800/1900 Mhz
