SGS Audited Supplier

Why Choose GESTER?

1. **Good quality:** Gester is the Hongkong company and SGS Audited Supplier. Long-term cooperation supplier for SGS, Bureau Veritas, Intertek and TUV.
2. **Considerate Service:** Equip with changeover plug or voltage transformer for customers based on the specific voltage and current in vary countries, etc. Try to satisfy the reasonable requirements of any customers.
3. **Excellent After-sale Service:** 12 months warranty. Besides, we can help you to repair your problem controller freely, even it's not purchased from us. What you need to do is to send us the controller.
4. **Commitment:** We will sign a letter of commitment while we sign the contract, which will improve your confidence to us.
5. **Good Packaging:** Simulation Animatronic Customer Triceratops are covered with air bubble film before put them into the wooden case, which not only has good shock absorption, impact resistance, heat sealing and also has the advantages of nontoxic, odorless, moisture corrosion, good transparency etc.

GESTER Packing
