Item NO.:	XRL1081E	Product Item:	RED ZONE Safety Light	Photo
-----------	----------	---------------	-----------------------	-------

Product Feature:

- 1):Casting Aluminum Alloy Housing,the suitable design for heating elimination.
- 2):PC Cover
- 3):High power OSRAM LED with High quality
- 4):The high performance of 100% waterproof,dustproof , quakeproof.
- 5)Double insulated silicon rubberized wire,can bear very low&high temperature
- 6)Reverse polarity protected
- 7)Beam: Line Beam
- 8)IP:67
- 9)Warranty: 1year
- 10)E-mark Certification
- 11) 0.85A@12V

Product Specs:

[LED] 6PCS OSRAM high power LEDs

Voltage: 10~80V DC

Color: Red or Blue for optional

Life Time:>50000 Hours

Working Temperature: -45 ~85°C

Light Resource: HIGH POWER LED

Size:152*60*57mm

Application: Forklift, heavy-duty machine for safety zone
