## ABOUT US

Established in 1998, Jiangyin Aluminum Foil Packaging East Asia Co., Ltd is a grey hair of aluminum foil lids manufacturer. Sustainable development & innovation is our core competitiveness.

To figure out the painful problems and work out a great service of packaging solutions to the clients worldwide. The foreign trade department was organized in 2008.

We are committed to the pursuit of " Quality is our culture, Service is our spirit." With years of developing & accumulating, East Asia earned a good reputation in flexible packaging industry. In the past 11 years of a foreign business career, Our aluminum lidding foil in die-cut pieces or roll films have found their international markets in more than 30 countries all over the world. Such as USA, CANADA, MEXICO, AUSTRALIA, BOLIVIA, KOREA, THAILAND Etc.

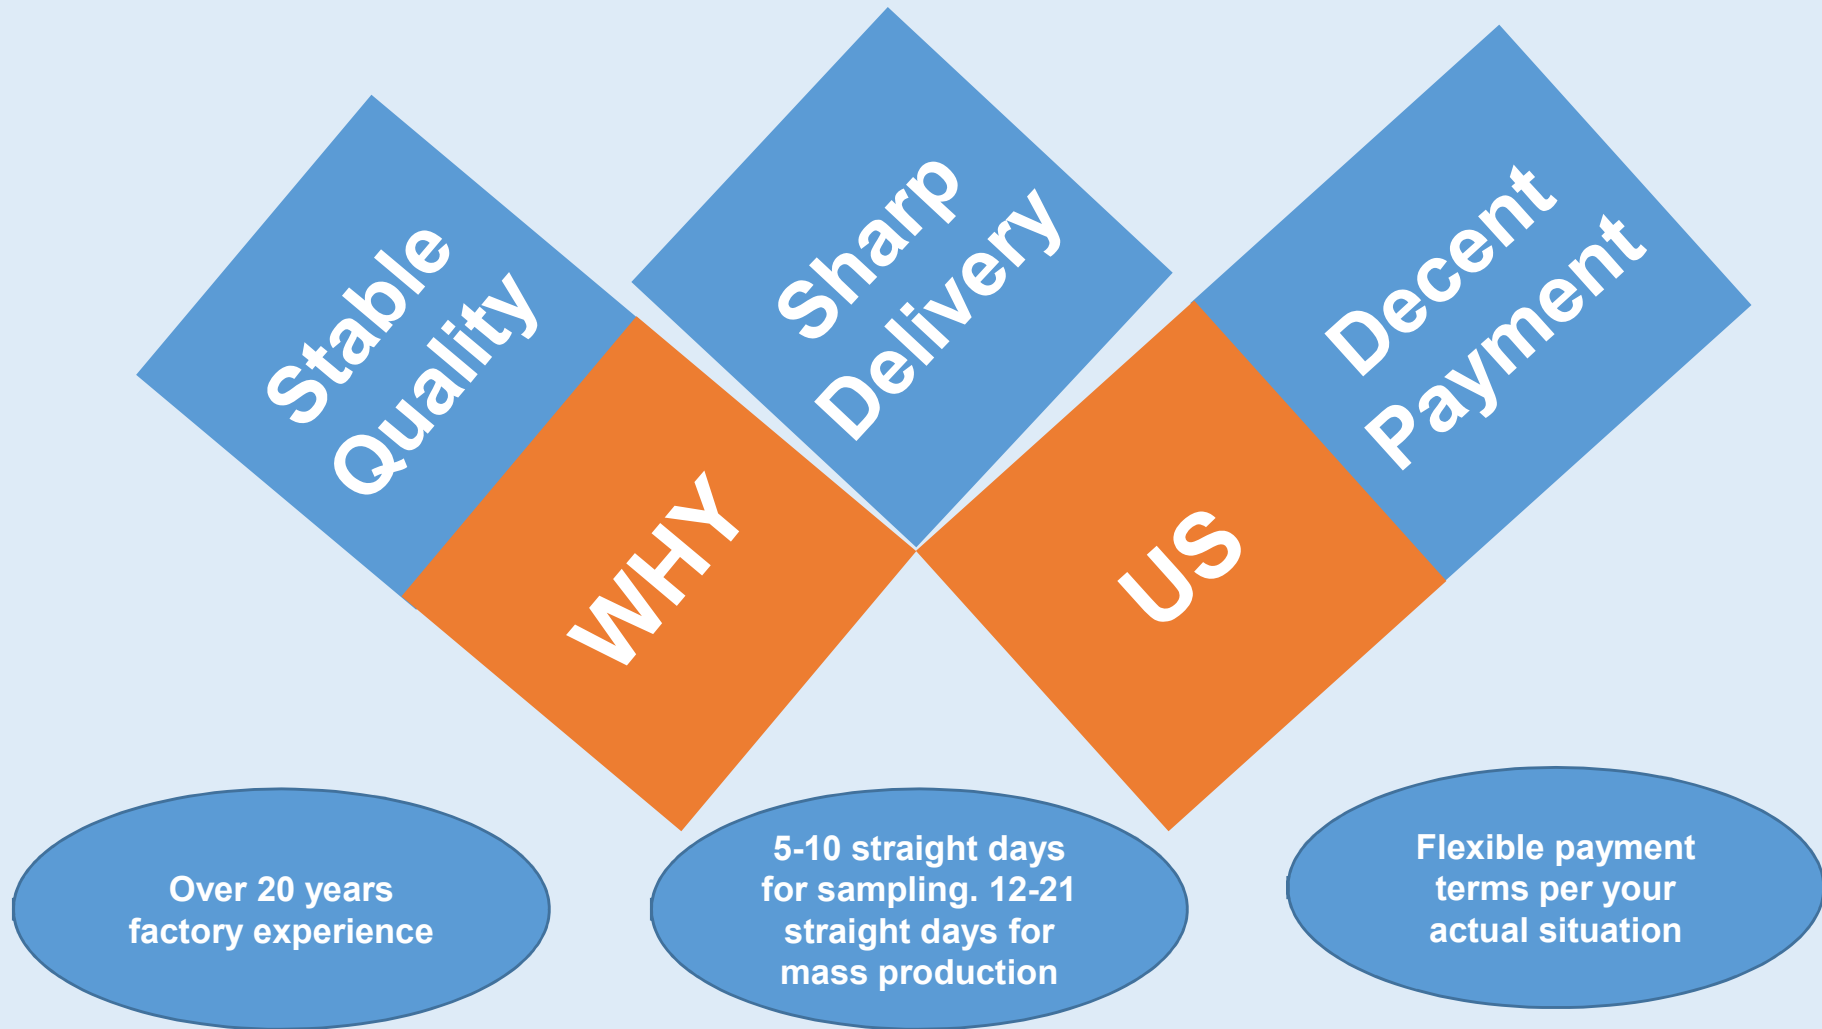

At present, We're continuing to expand our team to provide quality products and good services as usual.
