# About D&S

Dongguan D&S Wood Work Co., Ltd. located in Guangdong Province, is a professional manufacturer integrated with R&D and marketing of wooden products. In Guangxi and Vietnam, we set up 2 branch factories; the total area of three factories is nearly 80,000 square meters and has more than 1100 employees.

We specialized in manufacturing of the wood packaging, including smart home gift items, handicrafts and the OEM orders. We offer cost-effective solutions, competitive price, high-quality and professional service. We sincerely invite you to visit our factory and showroom. Please visit our website [www.dswood.cc](http://www.dswood.cc) to get more information.
