

Signcomplex | We bring innovation and give impression

Company Profile

www.signcomplex.com

Corporation People

Peter Wu G.M. owner 50%

Jacky Peng V.P. owner 30%

Huang Chengyi V.P. owner 20%

Feng Chenling G.M. of Panel Division

Enzo Yin V.P. of Panel Division

Zhou Meiming G.M. of Tube Division

Dennis Deng V.P. of Tube Division

Becky Wang G.M. of Downlight Division

Jason Zhan V.P. of Downlight Division

Jessie Huang G.M. of Outdoor Division

Li Gengyun V.P. of Outdoor Division

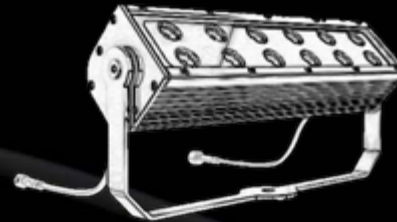

Ma Lin G.M. of Metal Plant

Chen Dajiang V.P. of Metal Plant

Organization

- ◆ Strip division
- ◆ Panel division
- ◆ Tube division
- ◆ Downlight division
- ◆ Outdoor luminaire division
- ◆ Metal plant division
- ◆ Plastic division

Philosophy

- Creative
- Quality the priority
- Honest
- Service & Partnership

Honors

- National Hi-Tech Enterprise
- TUV ISO9001:2008 certified company
- Intertek audited factory
- SGS audited company
- Enterprise of Class A with Shenzhen Customs
- Enterprise of Class A with SCIB

Signcomplex | We bring innovation and give impression

Market

Sales to 83 countries
HQ in Shenzhen China

Strip Division

Strip Division

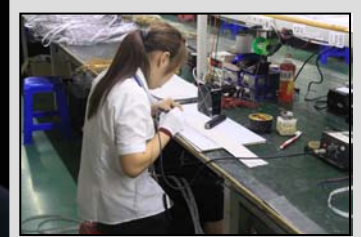

Solder paste on PCB

SMT operation

reflow soldering

PCB joining and self-check

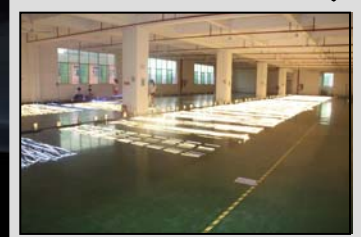

100% low-voltage test for LED antistatic performance

TPU extrusion process

PU glue potting process

100% 8-hour burn-in

100% quality control staff inspection

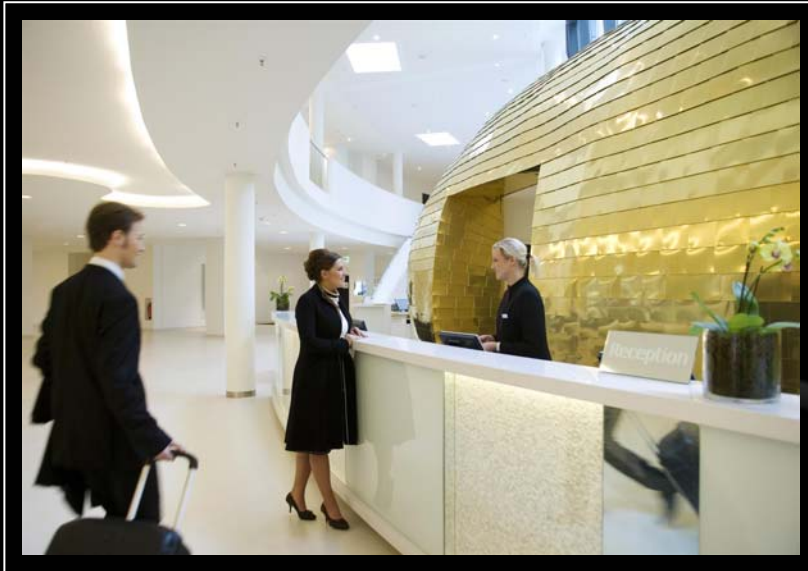

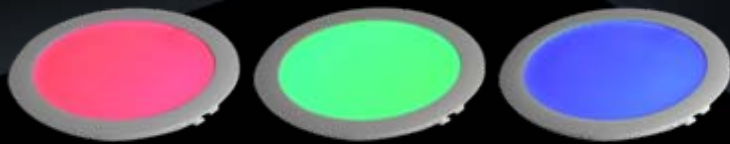

packing and lable

ready for shipment

Panel Division

Panel Lights Series (available in RGB, warm white and cold white)

Panel Division

LGP(light-guiding plate) and RP(reflector plate) laser cutting

plate burnish

screen printing

tin cream painting on PCB

100% 24-hour burn-in

panel assembly

driver assembly

SMT operation

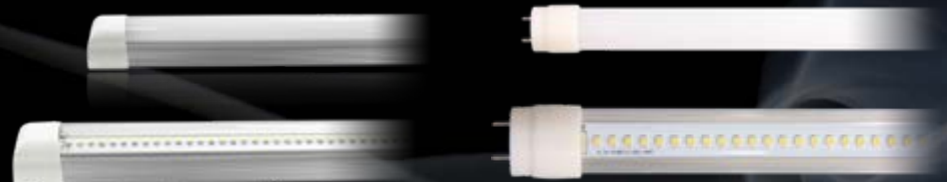

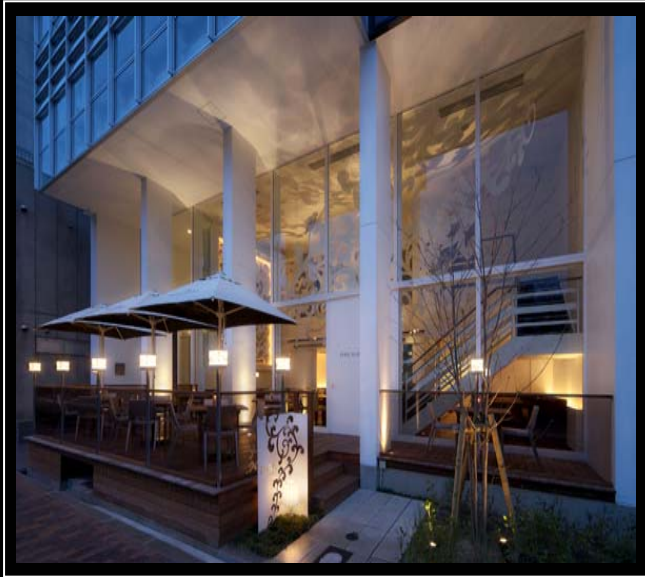

durable packing

ready for shipment

Tube/Spot Division

Tube/Spot Division

Solder paste on PCB

SMT operation

driver assembly

tube assembly

customized packing

random inspection in photometric sphere

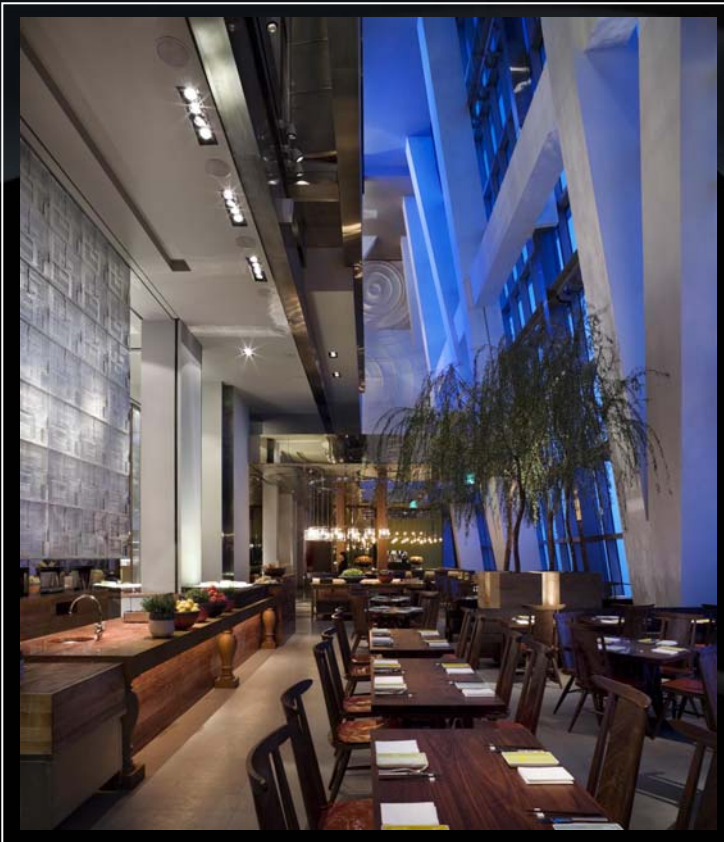

100% 24-hour burn-in

bulb assembly

Downlight Division

Downlight Division

Solder paste on PCB

SMT operation

driver assembly

assembly

label and packing

laser mark

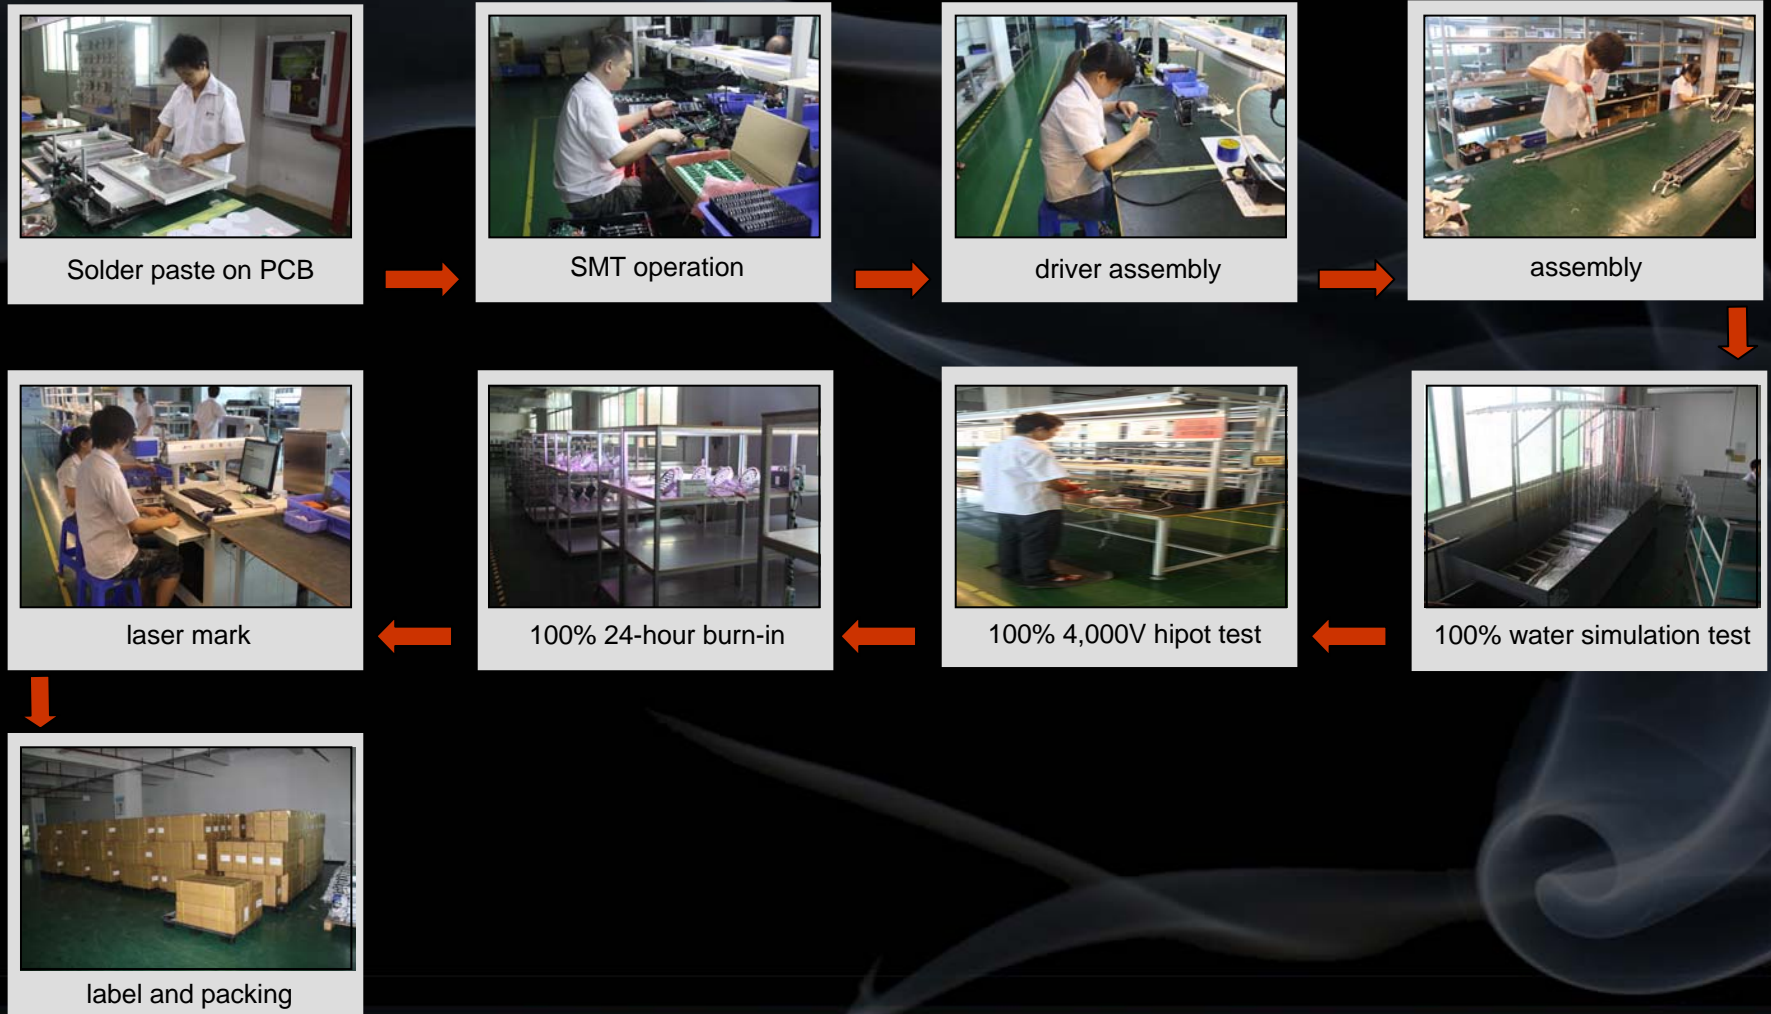

100% 24-hour burn-in

Outdoor Luminaire Division

Outdoor Luminaire Division

Control Systems

Plastic Plant

Injection molding machine

Automatic lathe

milling machine

wire cutting machine

drilling machine

Electrical pulses

CNC lathe

Metal Plant

Die casting

CNC lathe

Automatic lathe

milling machine

wire cutting machine

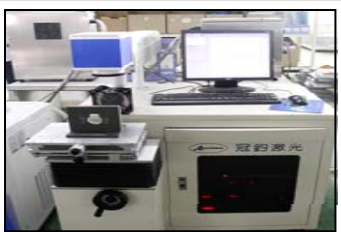

drilling machine

hardware cutting machine

punching machine

laser printer

Polishing Machine

Cutting Machine

Signcomplex Patent

utility patent - @beam

utility model patent - Ledshadow

utility model patent - tracklight

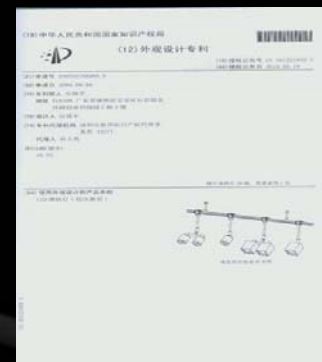

utility model patent - Blockdot

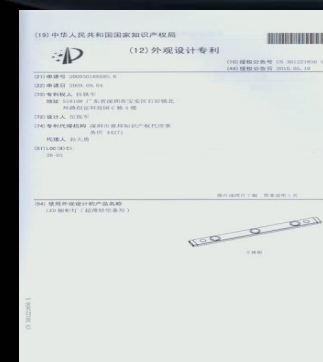

design patent - @beam

design patent - Ledshadow

design patent - tracklight

design patent - ARK1

More than 50 utility model and design patents.
